

You can now access your group insurance information on mygroupinsurance.vivium.be

How much supplementary pension will you receive when you reach pension age? You can now view this information easily and securely on the new website mygroupinsurance.vivium.be using your computer, tablet or smartphone.

What information will you find on mygroupinsurance.vivium.be?

- A convenient overview of your group insurance cover
- The most recent version of your official benefit statement (PDF)
- An interesting list of frequently asked questions
- Your own area with your personal information (My Profile)

You will automatically receive an email to your personal company email address each time a benefit statement update is available. You can also receive this email at your private email address and consult all the information about your group insurance online from home. To do so, enter your private email address on the website under 'My Profile'.
